PRIMARY ACTIVITY: 501(C)(3) NONPROFIT

Background:

P3 Irvine SL Holdings, LLC (the “Corporation”) has requested that CalPFA issue revenue bonds to finance or reimburse the costs of acquisition, construction, expansion, remodeling, renovation, improvement, furnishing, and/or equipping of a rental senior living community to be owned and operated by the applicant in Irvine, CA, as well as to pay costs of issuance of the bonds, pay capitalized interest, fund one or more debt service reserves with respect to the bonds, and to fund related working capital costs (the “Project”).

The Corporation is the sole member or sole shareholder of Sharp Memorial Hospital, Sharp Chula Vista Medical Center and Grossmont Hospital Corporation, which together constitute an integrated health care delivery system known as Sharp HealthCare.

Description of Proposed Project:

The Corporation has applied for the financial assistance of CalPFA to finance approximately \$466 million in capital improvements at the senior living facilities to be known as The James, to be located at 1001-2001 Gates Avenue, Irvine, California 92606 (the “Community”). The Community will consist of 210 independent living units, 110 assisted living units, and 30 memory care units in an 8-story building. It will also include extensive amenity space, including multiple dining venues, bar and lounge areas, a spa, a wellness gym, two theatres, an art studio and two outdoor courtyards. Programs will be offered to provide residential and health care services for its senior residents.

TEFRA Information:

A TEFRA hearing will be held in the City of Irvine on October 22, 2024.

A TEFRA hearing will be held by Kings County on October 22, 2024.

The financing will comply with California Public Finance Authority’s issuance policies.

At the request of the Corporation, CalPFA may issue one of the series of bonds with a draw down feature, with the balance of the bonds drawn within 3 years of the initial closing.

Attachment 1

Public Benefit:

Lack of Options for Local Seniors

The senior population in the state of California and the market area surrounding the project includes a substantial and growing number of households. The facility will be located in Irvine, CA, which has not had a new entrant providing senior living services in over 20 years. There has also been limited development in the surrounding municipalities in the recent past.

Healthcare Availability

Providing the framework for residents to age in place is an important goal of the community. All of the units will be licensed as Residential Care Facilities for the Elderly (RCFE). This flexibility will allow the community to provide assistance and/or care within the resident's independent living unit, if desired. In addition, under the residency agreements, residents of the project will have priority access to the assisted living and memory care areas of The James.

Local Community Involvement

As a non-profit organization, the applicant understands the importance of engaging with the broader local community. As the community stabilizes, the applicant expects to actively seek out opportunities to support the Irvine community in ways complementary to its mission of serving seniors.
