WASTE DISPOSAL PROJECTS AND RELATED ACTIONS**

WHEREAS, California Public Finance Authority (the "Authority") is authorized and empowered by the Title 1, Division 7, Chapter 5 of the California Government Code (commencing with Section 6500) (the "Act"), to issue revenue bonds for the purpose of financing facilities for the purposes of disposal, treatment, or conversion to energy and reusable materials of solid waste; and

WHEREAS, the borrowers identified in Exhibit A hereto and/or related entities (collectively, the "Borrowers") have requested that the Authority issue and sell solid waste disposal facility revenue bonds (the "Bonds") pursuant to the Act for the purpose of financing the acquisition and rehabilitation or construction as set forth in Exhibit A, of certain solid waste disposal projects identified in Exhibit A hereto (collectively, the "Projects"); and

WHEREAS, the Authority, in the course of assisting the Borrowers in financing the Projects, expects that the Borrowers have paid or may pay certain expenditures (the "Reimbursement Expenditures") in connection with the Projects, which include certain expenditures within 60 days prior to the adoption of this Resolution and prior to the issuance of the Bonds for the purpose of financing costs associated with the Projects on a long-term basis; and

WHEREAS, Section 1.103-8(a)(5) and Section 1.150-2 of the Treasury Regulations require the Authority to declare its reasonable official intent to reimburse certain prior expenditures for the Projects with proceeds of a subsequent tax-exempt borrowing; and

WHEREAS, the Authority wishes to declare its intention to authorize the issuance of Bonds for the purpose of financing costs of the Projects (including reimbursement of the Reimbursement Expenditures, when so requested by the Borrower upon such terms and condition as may then be agreed upon by the Authority, the Borrower and the purchaser of the Bonds) in an aggregate principal amount not to exceed the amount with respect to the Projects set forth in Exhibit A; and

WHEREAS, Section 146 of the Internal Revenue Code of 1986 limits the amount of private activity bonds that may be issued on behalf of for-profit borrowers in any calendar year by entities within a state and authorizes the governor or the legislature of a state to provide the method of allocation within the state; and

WHEREAS, Chapter 11.8 of Division 1 of Title 2 of the California Government Code governs the allocation of the state ceiling among governmental units in the State of California having the authority to issue private activity bonds; and

WHEREAS, Section 8869.85 of the California Government Code requires a local agency desiring an allocation of the state ceiling to file an application with the California Debt Limit Allocation Committee (the "Committee") for such allocation, and the Committee has certain policies that are to be satisfied in connection with any such application.

This action is taken expressly for the purpose of inducing the Borrowers to undertake the Projects, and nothing contained herein shall be construed to signify that the Projects comply with the planning, zoning, subdivision and building laws and ordinances applicable thereto or to suggest that the Authority or any program participant, officer or agent of the Authority will grant any such approval, consent or permit that may be required in connection with the acquisition and construction or rehabilitation of the Projects, or that the Authority will make any expenditures, incur any indebtedness, or proceed with the financing of the Project.

Section 3. This resolution is being adopted by the Authority for purposes of establishing compliance with the requirements of Section 1.103-8(a)(5) and Section 1.150-2 of the Treasury Regulations. In such regard, the Authority hereby declares its official intent to use proceeds of indebtedness to reimburse the Reimbursement Expenditures.

Public Benefit:

The public benefits that will be provided by the Park at South Stadium project when constructed include providing affordable housing options for area students. The Park at South Stadium will designate 20% of the total rental units at 50% of AMI and an additional 20% of the total units at 80% AMI levels. This blended rental-rate strategy ensures that The Park can accommodate the full range of housing demand for the downtown marketplace. In addition, student residents will be offered enrichment courses and community and social activities at the project. The project has wide support by the City of Fresno, and is expected to help the City's downtown revitalization efforts.
